

Editor/writer interview

Submission details

Writers are required to submit the first 50 pages (in industry-standard format) of their manuscript, together with a one to two-page single-line-spaced synopsis, and covering letter addressed to Alex Adsett outlining details of writing experience and publishing history (if any).

Submissions must be from a completed manuscript ready for submission to a publisher - first drafts are not acceptable.

Alex will select those writers she will interview, and those writers must be attending WriteFest. An interview does not necessarily guarantee that Alex will take the writer on as a client.

Each submission must be accompanied by an entry fee of \$25. This entry fee is non-refundable but will be taken off the entry fee to the WriteFest workshops (\$85) or masterclass (\$95).

Acknowledgement of payment will be emailed to the writer submitting, together with a **receipt number** which must be quoted on the WriteFest Booking Form in order for the \$25 to be deducted from your total. If you do not receive this receipt within one week of sending, please email or phone to check that your submission has been received.

Submissions and entry fee can be emailed to novels@sandycurtis.com provided the entry fee is posted in, or a receipt for a direct deposit to the Bundaberg Writers Club Inc is emailed with the submission. The Club's bank details are Wide Bay Australia Ltd, BSB 656400, Account No. 104337281

Submissions and entry fee can also be posted to the Bundaberg Writers' Club Inc, PO Box 1486, Bundaberg Qld 4670, but email submissions are preferred.

Successful applicants will be notified at least two weeks before the event. As reading and assessing the submissions will take some time, we would appreciate writers submitting as early as possible. **All submissions must be received by Tuesday 31st March 2015.**

Any queries should be made to novels@sandycurtis.com or PO Box 1486, Bundaberg Qld 4670. All WriteFest details and the Booking Form can be found at bundywriters.com
